## MERRY CHRISTMAS!

Seasons Greetings and a Happy New Year! Everyone here at ORTUS wishes you a warm and delightful festive season.

We are closed from 2pm on the 22nd of December and re-open on Tuesday 2nd of January. See you then for another year of events & conferencing!

## CHRISTMAS CAROLS AND JUMPER DAY

Thank you to everyone that wore a Christmas jumper on Wednesday 13th December in support of the Maudsley Charity. The christmas jumper game gets stronger every year, and for 2017 we had some true contenders.

To add to the festivities, ORTUS enjoyed minced pies while listening to a children's choir from the Hospital Nursery. The afternoon would not have been complete without the delectable performance from the Maudsley Scratch Choir.

## INTERNATIONAL CONFEX

Exciting news! In 2018 we will be exhibiting at International Confex, hosted at Grand Hall, Olympia. It will be a great opportunity for us to meet industry professionals, agencies and potential new clients. We look forward to seeing those who would like to know more about ORTUS, it's meeting rooms and event spaces.

International Confex takes place between the 28th February and 1st March.

Visit [www.international-confex.com](http://www.international-confex.com) for more information.

## EXTENDED RECEPTION PACKAGE

Is your company celebrating the festive season in January? Good news - we have extended our Reception packages until the 31st January 2018.

For more information on our drinks and canape deals, please visit our website, or contact [mellini.gordon@ortus.events.com](mailto:mellini.gordon@ortus.events.com)

## ORTUS CHRISTMAS GIFT CAMPAIGN

Thank you to all that donated a present in our Christmas Gift Campaign. We managed to reach our target of 60 presents, with thanks to clients, the community, and staff.

There were some very sweet deliveries from children donating gifts, with gifts almost bigger than themselves! A special mention should go to the little boy who hoped his gift would go to someone called Steve, because 'that's what he imagined when he was wrapping it'.

## ORTUS CHRISTMAS DECORATIONS

Did you have a chance to see our Christmas decorations designed by local artists Sue Smith and Frog Morris? The decorations were created with waste material left over from events, our offices and cafe.

Frog Morris created stained glass windows with cardboard boxes, and Sue Smith created hanging snowflakes out of toilet rolls. Follow Frog (@frogmorris) and Sue (@dandelionlights) to follow their latest projects. Thank you to Camberwell Arts (@CamberwellArts) for helping to organise the project.
