MAUDSLEY LECTURES IN PSYCHOANALYSIS:

A weekly lecture series covering core concepts in psychoanalysis and their applications

A series of lectures and discussion groups from the Institute of Psychoanalysis in partnership with the Maudsley. Leading psychoanalysts will give talks on the application of psychoanalytical concepts to clinical work and beyond. The programme is orientated to be of particular interest to clinicians: psychiatrists, psychologists, psychotherapists and others in mental health professions. FUNZING TALKS : HOW THE MIND HEALS THE BODY

On the 21st February ORTUS will be welcoming David Hamilton as part of the Funzing Talks programme.

David Hamilton's 'How The Mind Heals Your Body' talk will discuss the mind-body connection, and how to harness it for health and wellness. You'll learn about the placebo effect and how it works.

You'll also learn how meditation impacts the brain, heart, and nervous system, how love and compassion can dilate your arteries, and how the brain doesn't distinguish the real from the imaginary .
